2001 brings new challenges

File Photo

**By Major Joseph Mastrianna
99th Services Squadron,
commander**

As 2000 draws to a close, please allow me to take this time to reflect on the past and look forward to the future. We've faced some major and minor challenges this year and met them all with outstanding success and pride.

Some of the significant

happenings in the Services Squadron were the opening of the Touch 'n' Go Flightline Kitchen, opening the new Thunderbird nine-hole golf course, installing new equipment in the bowling center and receiving Child Development Center reaccreditation by the National Association for the Education of Young Children.

The Bowling Center and Skills Development Center were recognized as the best in Air Combat Command for 1999. Staff Sgt. Pam Cook, noncommissioned officer in charge of reservations at lodging, won the ACC Outstanding Technician award for 1999 and received Installation Excellence recognition for 2000. The base as a whole contributed to our organization's successes.

As I look forward to 2001, I see it as a very challenging and demanding year for the Services Squadron. Two major challenges are maintaining combat readiness and the success of the Non-

appropriated Fund Inter-Service Support Agreement, which effects our internal operation. These two events can make or break the Services Squadron.

There will be a lot of holiday parties in the next couple of weeks. I ask that if you are going to drink, please drink responsibly and do not drink and drive.

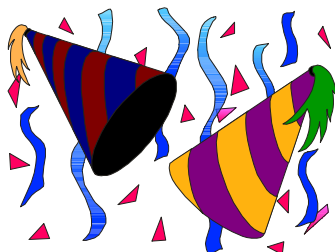

As 2000 closes, we say goodbye to old friends and hello to new ones and wish everyone a prosperous and exciting new year.
